- To date, there are no COVID-19 positive cases among the repatriated Canadians in quarantine at the NAV Centre.
- Today, Christine Elliott, Deputy Premier and Minister of Health, announced Ontario is implementing an enhanced response structure that formally brings together a wide range of partners to review, strengthen and implement provincial and regional plans and ensure their responsiveness to the specifics of COVID-19. See [News Release](#) for more information.

## Actions Taken:

- The Public Health Agency of Canada has released [guidance](#) for schools (k-12) and childcare programs (COVID-19).
- The ministry's [website](#) has been updated with the most recent case definition. Please use this case definition with the published guidance documents; future updates to the guidance documents are ongoing.
- Future scenario planning is currently underway amongst provincial partners and stakeholders at regional levels and within many sectors. Further information will be communicated as the process evolves.
- The ministry continues to work with federal and local partners to support the remaining repatriated citizens at the NAV Centre.
- Planning continues with federal and local partners to manage travellers from the Diamond Princess who did not return to Canada on the repatriation flight.

## Next Steps:

- The ministry is updating guidance documents and will distribute them once they are complete.
- The ministry will work with and support local partners and the federal government to support repatriated citizens.
- The ministry continues to work with health system partners to understand their needs with respect to personal protective equipment and other supplies.
